In-kind + Swag Bag: The Opportunity

BLD Ontario + East is an all-day conference designed by the B Corp Ontario community to dig into how we can drive value beyond certification. The B Corp Leadership Development (BLD) Day is a day for **ideas, collaboration, thinking big, and exploring how “Everyone’s A Leader”**. In addition to the community leaving the event with actionable insights and inspiration, we would love to share some of the amazing B Corp swag with them as well.

Do you have something unique to share with the B Corp community? Some ideas are: snacks, stationary goods, reusable water bottles, coupons, personal care items, etc. This is your opportunity to let the B Corp community try some of your amazing goods and/or services. **Space for the swag bags is limited so please confirm your spot today!**
